ASX RELEASE

Resimac exercises call option with IA Group

Resimac Group Ltd (ASX: RMC, "Resimac") is pleased to announce it has exercised its option to acquire the remaining 40% of International Acceptance Group Pty Ltd ("IA Group") for \$8 million, effective 1 February 2021.

IA Group is a Sydney-based finance company, participating in both secured commercial and consumer lending, including asset finance, secured business loans, personal loans and car loans. It was established in 2001 and has assets under management of over \$80 million.

The acquisition sees Resimac expand into new asset classes and into the commercial lending space, in line with its diversification strategy.

Resimac Chief Executive Officer, Scott McWilliam, said, "We acquired a controlling stake of IA Group at the start of 2020, but given the current opportunities in this lending sector, we have exercised the option early to assume full ownership of IA Group, as this will accelerate the diversification of our asset classes and revenue streams."
